These letters will be sent to the Dead Letter Office Oct. 9, 1916, if not delivered before.

NORTH BENNINGTON

Henry Philpot, formerly of Hoosick is spending some time with his grandson, Asa Solomon.

Mrs. Wm. E. Green of Pownal was the guest of her parents, Mr. and Mrs. H. Rosier, Thursday.

Mrs. Edwin Hart has been entertaining her parents from Pittsfield, Mass., for a few days this week.

Theodore Hakes left today on a business trip to Detroit, Michigan, where he formerly resided.

There seems to be a mistaken idea quite prevalent among members of the order of the Eastern Star, that the meeting of District No. 1 which is to be held in North Bennington occurs on October 4th. The original date Tuesday, Oct. 19th remains unchanged.

The many friends of Dr. E. A. Tobin in this vicinity, will be glad to learn that he is well pleased thus far with

"Only 'Gets-It' for Me After This!"

It "Gets" Every Corn Every Time. Painless. Nothing More Simple.

"I'll tell you what, I've quit using footing knives for corns. I've quit making a nuisance out of my toes with bandages and contraptions—quit digging with knives and scalpels. Give me 'GETS-IT' every time!"

When You See These Pretty Girls in Your Dressing Room It's a Good Time To End Your Corns.

That's what they all say the very first time they use "GETS-IT". It's because "GETS-IT" is so simple and easy to use—put it on in a few seconds—because there is no work or corn-footing to do, no pain that shoots up to your heart. It gets your corns off your mind. All the time it's working—and then, that little old corn peels right off, leaves the clean, corn-free skin underneath—and your corn is gone! No wonder millions prefer "GETS-IT". Try it tonight. "GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price by E. Lawrence & Co., Chicago, Ill.

Sold in Bennington and recommended as the world's best corn remedy by W. L. Gokay.

The Drysdale Glove Store

A Very Special Sale of Fine Kid Gloves

At \$1.15 Pair

Saturday Morning at 9 o'Clock

WE PLACE ON SALE

369 Pairs

Of Superb Quality Genuine Imported

French Suede Kid Gloves

Colors---Black, Grey, Tan, Mode

Sizes---5½ to 8--Abundance of every size 6 to 7

An Importer of French Kid Gloves—an old friend of ours—forced out of business by the continuation of the war, overlooked this lot when disposing of his general stock. By a fortunate coincidence he remembered this store, decided they would be a splendid offering for us and sent them along by express. To say we appreciated this friend action is unnecessary.

The Gloves are on display You may share in our Good Luck

Most conservatively stated, \$2.00 a pair would be a low price for these dressy, refined looking gloves, made in France--the world's best glove makers.

Every pair bears the government protection stamp 'Made in France'

Quantity to each customer is reasonably restricted.

None Fitted and None on Approval.

Hawks Block

his work for "Uncle Sam", at Plattsburg. Maj. Gen. Miles recently made a personal inspection and appointed Dr. Tobin, Post Surgeon. He has three physicians and twenty-eight men under his orders, and at the present time there are about thirty patients in the hospital.

The Baptist church of North Bennington was represented at the Vermont Baptist State Convention which met at Chester on Monday, Tuesday and Wednesday of this week, by an automobile party of ten members. The trip over was made via Manchester and Peru, returning via Brattleboro and Bennington. Those composing the party were Mr. and Mrs. Fred Harrington and Mr. and Mrs. Kenneth Dunham by whose courtesy the trip was made; Mr. and Mrs. Herbert White; Misses Bessie Amidon, Mildred Hathaway and Marion Phillips; and the pastor, Rev. F. M. Derwacter.

The faithful ones, who have been doing Red Cross work for over two years at the home of Mrs. J. G. McCullough, have been taking a little vacation, and are now fully prepared and anxious to resume the labor of love with renewed vigor. Next Tuesday at 2 p. m. every lady who can spare a few hours in this good cause, will be welcomed to an afternoon, which is always filled with a lot of cheer, while a surprising amount of work is accomplished by willing hands proving the truth of the old saying: "Many hands make light work."
